ARCHITECTURE IS A  
LIFELONG PASSION

Designing homes that feel like yours, and that you don't feel like home. Oatman Architects, Inc. is a design collaborative specializing in distinctive residential and hospitality projects around the world.

Founded by Homer and Laura Oatman in Newport Beach, California, Oatman Architects, Inc. provides unparalleled personal service in discriminating clients' desires for ultra-luxury resort-like high-end custom homes in distinctive Orange County communities such as The Strand, Sandy Canyon and Crystal Cove, as well as specializing in sustainable "green" luxury hotel, hospitality and spa projects throughout the world. Homer Oatman's architectural career reflects the fulfillment of a lifelong passion for art, architecture and travel. In addition to designing some of his most significant homes on the Newport Coast, his resume includes projects in Latin America, Hawaii, Asia and the Middle East.
