

## ADG Eco Earth-LED

## Application Placement

Fans,  
Hotel room fixtures,  
Cans  
Residential  
Commercial

## ADG Eco Earth-LED 🌍 8W & 11W versions,

- Dimming that really works!
- Instant-on capabilities
- Direct replacement for 40W & 60W incandescent
- Long lifespan: lasts longer than compact fluorescents -- especially in vibration-rich environments like ceiling fans
- No glare
- Minimum heat emission (60o C)
