

architectural detail group

Elevating the essence of architecture, from curbside to poolside.

Lighting | Furniture | Follies | Sculptures | Metal work

About Us

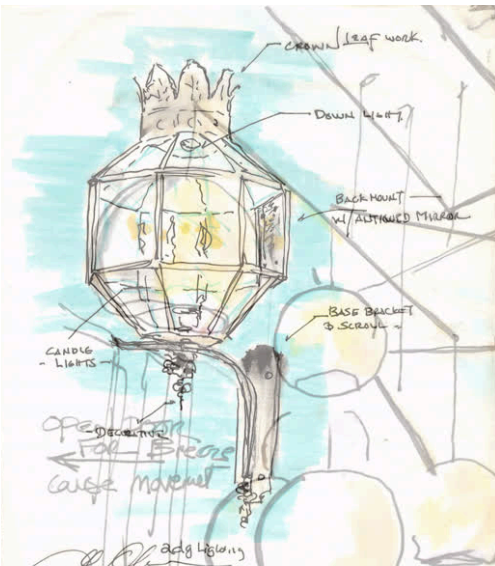

At **Architectural Detail Group**, we bring your vision to life. We are a team of architects, designers, and craftsmen who create beautiful, one-of-a-kind luxury lighting, metalwork, sculptures, and more. We serve Tribal Nations, civic agencies, and private developers. Our designs are culturally sensitive, design-forward solutions that blend form, function, and heritage.

From conceptual planning to final delivery, our team integrates craftsmanship with technical expertise to meet the unique vision of each client [\(+more info\)](#)

Our Work

We are creators. From initial sketches and detailed renderings to meticulously crafted scale models and final production, we specialize in creating **one-of-a-kind pieces for your architectural needs**. Whether you have a clear concept or seek our expertise to guide the process, we transform dreams into reality with precision and care. [\(+more info\)](#)

We offer specialized services for Tribal communities, focusing on culturally aligned, efficient, and customizable solutions. Our core capabilities include custom lighting and fabrication that meet Tribal standards and reflect community aesthetics, as well as precision-crafted architectural metalwork like gates, signage, and fire pits.

Tribal Liaison

Adam Frank is ADG's Tribal Liaison- a former Comprehensive Planning Director and Grants Department Director for a California Tribal Nation.

With comprehensive experience overseeing large-scale economic development, community enhancement, housing projects, and strategic/master planning, he ensures that ADG understands and meets the specific needs of each of our Tribal partners.
