Every year [Palm Springs Modernism Week](#) presents lectures, tours and behind-the-scene looks at the architecture and culture of the modernism movement. On Saturday, Feb. 13, we reminisced with [Charles Phoenix's](#): Super Space Age Slide Show, toured the [Christopher Kennedy Show House](#), went window shopping at the 16th annual [Palm Springs Modernism Show & Sale](#) and finished our night at [Shag's "Primal Cuts"](#) print release party.
